## **Cure Your Plant Fever at FlorAbundance!**

Spring is here, and—as they do at the start of each season—gardeners everywhere are suffering from a bad case of plant fever. Thankfully the cure is readily available: Green thumbs will find all the beautiful new plants they need at the Arboretum Foundation’s annual [FlorAbundance Spring Plant Sale](#).

The region’s largest and best plant sale returns to Building 30 of the Warren G. Magnuson Park Special Events Center (7400 Sand Point Way NE, Seattle) on **Saturday, April 24** (9 a.m. to 5 p.m.), and **Sunday, April 25** (10 a.m. to 3 p.m.).

As always, dozens of top specialty nurseries and vendors will be on hand selling a wide selection of choice, locally-grown plants, from ornamental trees to tasty edibles.

### **What to look for this year:**

- Great groundcovers—hostas, anemones, ferns, epimediums, heucheras, primroses, sempervivums, and more.
- An expanded collection of woodland plants, such as terrestrial orchids, polygonatum, and lilacs.
- A great selection of vegetables and herbs—it’s an El Nino year, so let’s get adventurous!
- Some great tomato surprises, including delicious heirlooms and new sweet cherry varieties.
- Variegated cat grass—pamper your garden as well as your pets!

- And much more.

*Parking and admission are free. The sale benefits Washington Park Arboretum. For more information, go to [www.arboretumfoundation.org](http://www.arboretumfoundation.org) or call 206-325-4510.*

Arboretum Foundation members and their guests can enjoy first pick of the plants at the **Member Pre-Sale & Party**, on **Friday, April 23**, 5:30 to 8 p.m. Tickets for the party are \$20 and can be purchased online at [www.arboretumfoundation.org](http://www.arboretumfoundation.org) or by calling 206-325-4510.
