FallAbundance Sale Returns September 10

Support the Arboretum By Buying Great Plants for Your Garden!

Seattle, WA – Fall is the best season for planting in the Pacific Northwest. And the Arboretum Foundation's annual [FallAbundance Plant Sale](#) is one of the best venues in our region for finding high-quality plants at great prices.

Please join us at the Graham Visitors Center (2300 Arboretum Drive East, Seattle) on **Saturday, September 10, from 10 a.m. to 2 p.m.** All plant purchases help support the operations that keep Washington Park Arboretum beautiful and accessible to all. Parking and admission are free.

FallAbundance is hosted by the volunteers in our [Pat Calvert Greenhouse](#) and [Plant Donations Nursery](#). These knowledgeable volunteers will help you pick the right plant for the right spot in your garden.

What you'll find this year:

At Plant Donations—which features plants donated to the Arboretum by local gardeners—we'll have a fine selection of durable, evergreen shrubs such as sarcococca and leucothoe; showy, hard-working perennials and grasses; sedums and other drought-tolerant groundcovers; and much more.

At the Greenhouse, we'll have a unique selection of young trees and shrubs—including Japanese maples, fuschias, katsuras, mahonias, manzanitas, and hydrangeas. Many of the Greenhouse's plants are propagated from specimens in the Arboretum's collections and are proven performers in our region.

Greenhouse discount:

All plants in the Pat Calvert Greenhouse will be 25% off during the sale!

Volunteering opportunities:

We're looking for volunteers to help the sale run smoothly. We need assistance with set-up, cashiering, marking, portering, will-call, and clean-up. To volunteer, please contact Alyssa Henry at ahenry@arboretumfoundation.org.

For more information, call us at 206-325-4510 or visit www.arboretumfoundation.org.
