FallAbundance Sale Returns September 9

Support the Arboretum By Buying Great Plants for Your Garden!

Enjoy 25% Off All Greenhouse Inventory!

Seattle, WA – Fall is the ideal time to plant in the Pacific Northwest, and the Arboretum Foundation's annual [FallAbundance Plant Sale](#) is one of the best venues in our region for finding high-quality plants at great prices.

Please join us at the Graham Visitors Center (2300 Arboretum Drive East, Seattle) on **Saturday, September 9, from 10 a.m. to 2 p.m.** All plant purchases help support maintenance needs and kids' environmental education at the Arboretum. Parking and admission are free.

FallAbundance is hosted by the volunteers in our [Pat Calvert Greenhouse](#) and [Plant Donations Nursery](#). These knowledgeable volunteers will help you pick the right plant for the right spot in your garden.

What you'll find at the greenhouse:

- A great selection of young trees and shrubs with fall interest, such as Japanese maples, crape myrtles, osmanthus, and beauty berry.
- Lots of unusual rhododendrons, camellias, and hydrangeas propagated from plants in the Arboretum collection.
- Beautiful confiners, including many dwarf and compact varieties.

What you'll find at the nursery:

- A fine selection of showy, hard-working perennials and grasses donated by local gardeners.

- Plenty of sedums and other drought-tolerant groundcovers.
- A good selection of native ferns and other perennials.

Greenhouse discount: *All plants in the Pat Calvert Greenhouse will be 25% off during the sale!*

Volunteering opportunities: We're looking for volunteers to help the sale run smoothly. We need assistance with set-up, cashiering, marking, portering, will-call, and clean-up. To volunteer, please contact Alyssa Henry at ahenry@arboretumfoundation.org.
