INTRODUCING THE CAMELLIA CIRCLE

*“No matter how beautifully a garden is designed,
all that is lost without proper and timely care.”*

- Juki Iida

SUPPORT YOUR SEATTLE JAPANESE GARDEN

Your private donations provide crucial support to keep the Garden thriving. Without private support, this tranquil, beautiful garden wouldn't be as accessible for the more than 100,000 annual visitors who experience unique opportunities for cultural enrichment and leave the garden with a sense of renewed well-being. The funds collected will ensure increased accessibility to a growing range of cultural programs and events, including the blossoming First Thursday and Family Saturday series, and enable the Garden to be carefully and skillfully maintained. In 2018, the team is also identifying capital needs that will keep the Garden healthy and vital.
